

## RIDING THE BUS

A school bus is an extension of the classroom – and the same conduct your teachers expect to see from you is that the bus drivers expect to see from you on the bus.

## INCLEMENT WEATHER

For school bus cancellations and delays go to [www.dsts.on.ca](http://www.dsts.on.ca) or visit your school board website.

## SCHOOL BUS SAFETY

Be at your bus stop 5 - 10 minutes before pick-up time.

Be a safe pedestrian. Walk on the sidewalk where available, cross the street at appropriate places and look both ways before crossing the street.

Stand at least 6 feet back from the road.

Please don't push or shove your buddies at the bus stop.

Wait for the bus to come to a complete stop and the doors to open before you board.

Board the bus in a single file and hold on to the handrail.

Carry your stuff in a backpack so your hands are free.

The bus driver is in charge of the vehicle and passengers.

Listen to and be respectful to the bus driver.

**DURHAM STUDENT TRANSPORTATION SERVICES (DSTS)** is responsible for the management and administration of all home to school transportation for students eligible for transportation, in accordance with the Transportation Policy of both the Durham District and the Durham Catholic District School Boards.

## SCHOOL BUS DO'S & DON'TS

Do be ready to keep your backpack or other gear on your lap or under the seat in front of you.

Do be respectful of your shared space. Keep your voice down so the driver can concentrate on the road.

No swearing, horseplay or rough-housing.

Do not touch the safety equipment or emergency exits unless it is an emergency.

Do keep your hands, arms, feet, head and belongings inside the vehicle at all times.

Do remain seated for the whole ride and until the bus comes to a complete stop.

Do not throw things in or out of the bus.

Do follow instructions from the bus driver. Do respect private properties when waiting for the bus and don't leave your garbage behind.

Do refrain from eating, drinking and smoking on the bus.

Do not bring alcohol, drugs or weapons onto the school bus.

Do learn the name of your bus company and route number so you do not get on the wrong bus.

## STUDENT DISCIPLINE

For those who choose not to comply with the rules, discipline for conduct on the school bus falls under the authority of the principal.

The bus driver is required to report incidents on board the school bus to the bus company and the principal. The principal may speak to you and/or your parents.

You may be subject to in-school discipline or even a suspension or removal from the school bus. Remember, riding the school bus is your privilege, not a right. Like any privilege, it can be taken away.
